12th International Day of Prayer and Awareness against Human Trafficking: "Peace begins with Dignity..."

The International Day of Prayer and Awareness against Human Trafficking is celebrated each year on **8 February**, on the occasion of the **Feast of Saint Josephine Bakhita**. A Sudanese woman and religious sister, enslaved from the age of seven, Saint Bakhita has become over time a universal symbol of the Church's commitment against human trafficking.

"Human trafficking remains a deep global wound, violating human dignity and disrupting the peace of our societies, especially in a world torn by conflict, war, and forced displacement ... we call all people of goodwill to move beyond awareness and unite in concrete action to end this crime. Our commitment is to walk closely with victims and survivors, to listen to their voices, and to advocate for systemic change that addresses the root causes of trafficking and builds a world rooted in peace, justice, and dignity for all." — Sister Abby Avelino

Autism World Prayer Day

Autism world prayer day refers to Autism Sunday, observed annually on the **second Sunday in February**, which serves as an International Day of Prayer for Autism & Asperger Syndrome to raise awareness, understanding, and support for people with autism spectrum disorder (ASD) and their families within faith communities. Please say an extra prayer or two for families and individuals who face the challenges associated with ASD every day.

+Fr. John Stanley Gwudz died in California. Fr. John was a native son of our St. Joseph parish, Norwich. Ordained May 1972 in the Diocese of Norwich, his First Mass was at St. Joseph church, Norwich.

Bishop Reilly released him to Archdiocese of Military Services around 1984. He remained a priest of the Diocese of Norwich and lived in Oceanside, CA.

Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. May the souls of all the faithful departed, through the mercy of God, rest in peace.

Stewardship Reflection...

"Let your light shine before others, that they may see your good works and give glory to your Father who is in heaven."

MATTHEW 5:16

The generosity of being a good steward of your gifts has a positive effect on people, and it is contagious! Good works encourages more good works. Generosity is a by-product of a grateful lifestyle. The more we recognize God's gifts, the more we want to share them. Good stewards recognize that God is working through them, and they don't put themselves above the people they have been called to help.
